Feedback

Q23

Please provide specific feedback (positive or negative) on the GST course, curriculum, techniques, or teaching methodologies so we can continue to make it better for officers.

1. Mark was great to work with and was clearly very knowledgeable about the GST system. Mark did a great job making the course entertaining and offered tactful corrections.

2. Mark is very knowledgeable about the topics and was able to make them easy to learn

3. Mark was awesome.

4. Great Jiu Jitsu knowledge and retired officer. That's special

5. Mark was very humble and knowledgeable. Demonstrated technical skills well.

6. Mark was great. Great attitude and available for questions

7. I appreciate his insights as a former supervisor

8. Mark was great he took time after class with zero hesitation to help me with a concern I had with a technique. Very knowledgeable and his passion and excitement made the day fly by.

9. Mark was awesome. Having background in law enforcement helps bridge the gap. I would recommend Mark to teach to anyone to learn and understand techniques taught

10. Mark is very knowledgeable about the topics and was able to make them easy to learn. Him and Tom had a very good chemistry and they were fun to learn from
11. Never hesitated to provide proper feed back, to get the student in the right place.

12. Mark was amazing at demonstrating techniques and safety tips or considerations
13. Mark is the man!! Again can't say enough great things about him. Very well educated in everything he taught/coached! Great attitude and very excited to be here every day!

14. wealth of knowledge, abiliity to step in and step up as instructors, remember and connect with people, everything!

15. Mark was amazing approachable and knowledgeable.
